Coloring with the Saints

Andrea Helen Smith

If you have younger children who are eager to be involved in celebrating the liturgical year, Coloring with the Saints contains full-page, black-and-white illustrations of over 60 of the saints featured in Saints & Seasons. The coloring pages are arranged by date, making it easy to hand out a coloring page on the feast of a particular saint. Pages are single-sided; after being colored the illustration can be cut out of the book and displayed.
